Once your summer care registration has been submitted to the school office, you will be financially responsible for all weeks chosen. No fees will be assessed for the weeks your child is not registered. Additional weeks may be added throughout the summer based on availability by filling out a **Summer Camp Change Request Form** and paying the additional fee.

There is NO camp or care May 26th - June 2nd, July 3 & 4, and July 31st - 8th

Can the camper swim? (K-4) Yes No *(The weekly swimming fee is included in the weekly camp fee.)*

- I understand that **Campers** (K - 4) have a weekly field trip or assembly that is included in the weekly fee.
- I give permission to consult the child's physical/health resource listed on student application in case of emergency, if I (the parent/guardian) cannot be reached.
- If your child is sick, or becomes ill at school, they will be isolated and you will be called to pick up your child. Children who have a fever (100 degrees or higher) will need to stay home until they are fever free without medication for 24 hours. There will be no refunds for illness, or any other reason for absence.

I have verified the weeks that my child will attend and am responsible for payment for the services. **The first week's fee should accompany this Enrollment Confirmation Contract.** My signature below verifies the information I have provided is complete and accurate, and I have received this information and agree with these conditions and/or policies.
